More than just a collection of drabbles, this is also a horror anthology and if you think about it, horror is perhaps the genre most suited to the very short lengths afforded by flash fiction. It is a genre, more than anything, about establishing a particular mood and the drabble form allows a talented author to establish that mood quickly without having to ruin it with too much extraneous detail.

DEATH "Noun: the action or fact of dying or being killed; the end of the life of a person or organism." It's the only certain thing in life. A journey every living creature is forced to take. It cannot be eluded, and there's no escaping its fatal claws. It's the one constant in every religion that cannot be proved wrong...death will find everyone. But what if death is not the end? What if it's only the beginning? Stories of the living dead have been told through the centuries. Some of us want to believe, and some of us are too afraid to face the truth that sometimes-just sometimes-the dead never leave. This is a collection of stories bound to make you question every belief, filling in the blanks of the unknown. Whether it's the woman scorned finally given a chance for revenge after death, or an evil force trapping generations of a single family in a home for eternity-these are the deadly tales told from the grave. Do not think it's over when the Grim Reaper comes to call. Death is not the final masquerade. 13 is Resurrected... Are you afraid?

From an early age, we are taught to fear the unknown; to be afraid of what we do not understand. You're about to discover that what you do know can not only hurt you, but can scare you to death! The award winning horror fiction podcast has gathered thirteen amazingly talented authors from around the world to explore the very notion that learning about the unknown can have terrifying results. Step inside, kiddies... It's story time at The Wicked Library
