In order to apply the FEBVS Examination you must fulfil the following criteria: Be in possession of a CCST/CCT (Certificate of Completion of Specialist Training / Certificate of Completion Training) or equivalent certificate in Vascular Surgery or General Surgery (in countries where Vascular Surgery is not an independent specialty) issued by the relevant body governing the legal CCST/CCT from countries with rights of full ...

FEBVS EXAMINATION - UEMS

The primary aim of The European Board of Cardiothoracic Surgery (EBCTS) is to encourage common high standards and qualifications in cardiothoracic surgery in all European countries and beyond. This should potentially allow for the mutual recognition of these qualifications between European countries and elsewhere. An online resource for you

Home - ebcts

The European Board Examination in Neurological Surgery consists of two parts: Part I (electronic multiple choice questions) and Part II (oral examination). Oral assessments following completion of the EANS training course was first introduced in 1983 (Ljubljana). The concern for a more formal approach to an examination led in 1992 to the creation of the Joint EANS/UEMS Examination Committee and introduction of the European Examination in Neurosurgery.

Exams - European Association of Neurosurgical Societies
