One Nation, Under God--Theirs Eighteen months ago, America was invaded from within--by the self-proclaimed "Army of Allah." Now, U.S. veteran Jake Lantz and a ragtag team of survivalists have built a safehold on Pleasure Island. electric power, privileges, and "peace" will be restored--to any citizen who pledges allegiance to the new regime. Jake and the Phoenix Group are willing to sign up--over their dead bodies. Instead, they're reaching out to patriots across the nation to build an underground network of rebels. Like the Founding Fathers before them, they'll do anything for their country. Swear on their lives. Fight to the death. And blow this "New World Order" to kingdom come. . . First Time In Print!

Traitors in the Gestapo By: J.H. Ahlin Traitors in the Gestapo, a compelling story of love and hate in Nazi Germany, tells the story of Jenz and Ezekiel, Jews who grow up in the dark shadow of the National Socialist Workers Party (Nazism) under Adolf Hitler. To help disguise his Jewish heritage, Jenz's parents send him to Hitler Youth Camp in 1936. As life grows more harsh and restrictive for Jews in Germany in the late 1930's, Jenz helps Ezekiel change his identity to Vitali Carapezza, which allows him entrance to the Technical University in Berlin. Jenz, because of his Aryan appearance, is "invited" to join the SS. As both Jenz and Ezekiel grow appalled and sickened by the treatment of Jews, they conceal their identities to become involved in secret work. Their actions, fraught with intrigue and danger, change the course of the war and thwart the Gestapo's reign of terror.

In 1941, ten-year-old Joseph Joffo and his older brother, Maurice, must hide their Jewish heritage and undertake a long and dangerous journey from Nazi-occupied Paris to reach their other brothers in the free zone.

The Book of Revelation is one of the most misunderstood and neglected books in the Bible, partly because of its Apocalyptic genre which is a literary form that is not used anymore. Yet, it is also misunderstood because most Christians are unfamiliar with the historical-cultural context of first-century Christianity and Judaism in the Roman Empire. The Revelation is far more relevant for Christian's daily lives as the church advances the gospel throughout the world than most people realize, specifically written to believers "to unveil" the reign of their Lord over the earth and the binding of Satan, the Spirit and the Bride (through the proclamation of the gospel) opening the eyes of the nations that he had blinded over the course of centuries. This commentary seeks to quote and cite as much of the history as possible to bring out the book's first-century meaning and present applications.

Early in our Christian lives we are taught the importance of tithing and making offerings. It is a way to show our love for God and desire to live in faith under his rules. But do we really know the background and importance of the call to tithe? Dr. J. Gayle Gaymon's *Beyond Tithes and Offerings: I AM the God of Recompense* takes an in-depth look at the principle of tithes and offerings under the Mosaic Law. Scriptural references are provided to support her conclusions. She considers the question, "If there is no longer Jew or Gentile, and you are grafted into God's redemptive plan,

does He require anything less from you? The author also discusses what it means to be wholly or partially in the body of Christ and how it relates to being called a Christian. You will also learn what else it takes to be a true Christian. Beyond Tithes and Offerings: I AM the God of Recompense will expand your faith knowledge, which will help you become a better servant for God.

"The missing link is finally revealed. The ancient hebrew torah scroll authenticates the belief that the children of israel and the phoenicians are historically linked." This work of reference can be used by linguists, scholars in their research and will serve as a tool to further understanding between nations and cultures. Howshua Amariel is a translator of Biblical Hebrew (also known as Ancient Hebrew or the Paleo-Hebrew alphabet) and the author of the interlinear style Paleo-Hebrew text, entitled "THIS REPORT: The Hebrew/Phoenician History called the Bible." Aside from Amariel's claims, his work is also currently respected by the Igbo Jewish communities of Israel as being the most authoritative translation of the Torah scrolls into English.
