Videodisc recording that tells the story of a man named Luis, his problems, and his search for the right job. It is designed for adult ESL students at introductory to intermediate levels, and provides practice in English listening, speaking, reading, and writing.

A stunning work of scholarship, the Norton Critical Edition of The English Bible, King James Version, is the most accessible edition available. In celebration of the 400th anniversary of the King James Bible, these long-awaited volumes bring together succinct introductions to each biblical book, detailed explanatory annotations, and a wealth of contextual and critical materials. Archaic words are explained, textual problems are lucidly discussed, and stylistic features of the original texts are highlighted. Judicious and economical, the introductions and annotations to the Old Testament give readers without Hebrew an entry into complexities of biblical literature, reconstructing its original contexts, tracing its evolution, and pointing out productive strategies of reading. Incorporating the insights of modern biblical scholarship as well as centuries of precritical interpretation, they offer essential guidance to a labyrinthine world, while respecting the text's integrity. The historical and critical appendix comprises three distinct collections. A section on ancient Near Eastern backgrounds presents the myths, hymns, prayers, and legal codes that informed the creation of the Hebrew Bible. A historical anthology of biblical interpretation gathers—for the first time in one volume—generous selections from the Jewish, Christian, and Muslim traditions, along with classics of secular commentary. It includes reflections on the Bible by philosophers from Hobbes to Ricoeur; a compendium of modern biblical scholarship, focusing on topics such as the oral and the written, the composition of the Pentateuch, and the historical movement from covenant to canon; and a provocative sampling of comparative and literary approaches. The crucial presence of the Old Testament within English literature is represented by paraphrases and parables in verse and prose, and a recapitulatory conclusion brings the diverse perspectives of this millennial survey to bear on two of the Bible's most famous passages: the expulsion from the garden of Eden and the binding of Isaac. A final section devoted to the question of translation includes significant English versions from Wycliffe to the present. Time lines, chronologies, diagrams, and maps are included.

Lexile Level 820 Reading Level 3-4 Interest Level 8-12

Featuring content from National Geographic and TED, the new edition of the four-level, integrated skills World English series brings amazing stories about our planet and compelling ideas from around the world to the classroom. Riveting images, fascinating topics, and inspiring video will motivate learners to engage with ideas and each other. The second edition of World English introduces students to some of the world's most fascinating people and places and builds upon an effective competency-based approach to provide 21st century learners with the English skills needed for success.

One-page lessons - a simple approach for students and teachers Positive 'Now I can' learning goal in every lesson Real-life language focus (English for Everyday Life lessons) Colourful mix of photos and illustrated stories Study and reference section - wordlists, grammar, audio scripts, irregular verbs, pronunciation chart

Practice Book The consumable workbook is divided into two parts: grammar and writing. Additional exercises connected to the textbook offer ample review and practice opportunities in grammar and writing skills. Each topic receives at least one page of additional practice, and every writing lesson receives one page of additional practice.

Franz Kafka's 1915 novella of nightmarish transformation became a worldwide classic and remains a century later one of the most widely read works of fiction in the world. This new and acclaimed translation is accompanied by possible inspirations and critical analysis of Gregor Samsa's strange story. This Norton Critical Edition includes: - Susan Bernofsky's acclaimed new translation, along with her Translator's Note. - Introductory materials and explanatory footnotes by Mark M. Anderson. - Three illustrations. - Related texts by Kafka, Leopold von Sacher-Masoch, Friedrich Nietzsche, and Rainer Maria Rilke, among others. - Eight critical essays by Günther Anders, Walter H. Sokel, Nina Pelikan Straus, Mark M. Anderson, Elizabeth Boa, Carolin Duttlinger, Kári Driscoll, and Dan Miron. - A Chronology and a Selected Bibliography.

The accompanying student audio CD includes recorded vocabulary, focused listening, conversations, pronunciation, and reading materials from the book. The workbook includes additional exercises for independent practice, review, or homework for the Level 1 student book.
