This beautiful scene and frame, like all of  
our self-framing patterns, are cut from a  
single piece of wood. You tilt the saw  
slightly when cutting the inner oval which  
allows the inside to recess back into the  
frame. It's a simple technique that adds a  
unique style to the overall design. This is  
an intermediate level scroll saw pattern. -  
8" x 10"
