The Kerdi Shower Book

The Kerdi Shower Book will never be a paperback. I suppose I should never say never, but it would not be profitable to print and distribute the book. It's too specialized, and it's too short to be a paper book. It's only 84 pages. Also, there would be no way to print the illustrations, especially the big ones that are on the web site.

Times change and so has the world of tiling since the original publication of the bestselling Working with Tile in 2005. Advances in technology and research have brought new installation products and tools to the market, including waterproofing membranes, backerboards, grouts, and cutting tools. Design elements have also seen a dramatic shift with the emergence of glass and stone launching a new era of creativity. DIYers will welcome this completely revised and updated edition, which combines easy-to-follow installation techniques and the latest design ideas. Two all-new sections focus on grouting (which can make or break any job) and working with porcelain and glass tile (a daily challenge to tile and shower door installers and plumbers). Remodelers looking to master small-scale tile projects such as adding a backsplash or retiling a powder-room floor will refer often to the expert advice and over 370 updated photos.

Long before they're able to talk, babies have a whole lot to say! Widen their world with this delightful modern classic—a must-have for growing families and a perfect baby shower or new-baby gift. With this adorable board book of essential signs, babies and toddlers can easily learn how to communicate their needs, wants, and feelings and even make basic observations with a simple gesture. Studies show that babies who use sign language feel less frustrated, throw fewer tantrums, and often learn to talk more easily. Just point to a sign in the book, say the word while making the sign, and the baby will soon be signing. Communicating a wet diaper or a hungry belly, asking for help or saying "all done" becomes as easy as waving hello or good-bye. And these are just a few of the thirteen signs inside this small and adorably illustrated board book, perfect for little hands and minds to grasp.

ECPA BESTSELLER—Over one million copies sold! When a charming polar bear cub climbs into bed one night, she asks her Mama a very important question, one that little "human cubs" often wonder about, too: "Where did I come from?" As Mama bear tucks her youngest cub under the quilts, she gently, tenderly, and reassuringly communicates the message loving parents everywhere (bears and non-bears alike) want their little ones to hear: "We wanted you very, very much, and we are so very glad because—God gave us you." Perfect for bedtime, naptime, or anytime, God Gave Us You provides a valuable opportunity to build children's self-esteem every day and assure each one that he or she truly is a welcomed, precious, and treasured gift from the Lord. Also available in the God Gave Us series: God Gave Us Two God Gave Us Christmas God Gave Us Heaven God Gave Us Love God Gave Us So Much

For parents, the arrival of a newborn child is an event that offers the promise of never-ending love. Filled with lively illustrations and heartfelt rhyming text, Welcome Little One allows parents and children to celebrate and cherish their bond.

More than 1 million viewers in Canada watch Mike Holmes' television show, Holmes on Homes, every week. Thousands more see him at his personal appearances and visit his website, looking for advice on renos-gone-wrong. Mike Holmes is Canada's most trusted contractor, a crusader with a mission to expose botched renovations—and now the author of a bestselling book that has shipped over 60,000 copies in its hardcover edition. Mike has taken his professional expertise and tell-it-like-it-is style and turned it into the guide no homeowner should be without. Make It Right walks readers through a renovation from start to finish, from the process of finding a reliable contractor to understanding the legalities of renovation. Mike explains the inner workings of a house, covers the most popular reno projects and describes the most common pitfalls. Packed with informative sidebars, checklists, diagrams and photographs, all showing what to expect from contractors and tradespeople, and how to keep every reno running on time and on budget, Make It Right is the book you need to read before you plan a renovation. Be smart. Take charge. Get it right the first time.
