A Whale for the Killing by Farley Mowat is a true account of a stranded whale in a cove near a Newfoundland town. The narrative includes little known facts about whales as well as the sad retelling of this whale's death at the hands of senseless idiots pumping bullets into her and frightening her with their power boats.

"A Whale for the Killing" chronicles the unlikely and you might also say, unseemly doings in a small Newfoundland outpost in the 1960s. In what soon proved to be a run of bad luck, one of the largest of the sea mammals, a Fin whale, found itself trapped in a huge body of water near the town of Burgeo.

Whaling is the process of hunting of whales for their usable products such as meat and blubber, which can be turned into a type of oil which became increasingly important in the Industrial Revolution.It was practiced as an organized industry as early as 875 AD. By the 16th century, it had risen to be the principal industry in the coastal regions of Spain and France.

Sadly, some countries still kill whales to sell whale meat for profit - a very expensive luxury for some people. In the old days of whaling, the sailors hunted whales from sail ships and rowing boats. They chased the whales and threw hand-thrown spears called harpoons at them. However, during the late 1800s, steam powered ships replaced the ...

Collisions between whales and shipping vessels are especially prevalent in areas where whale habitat overlaps with busy port traffic, such as the Santa Barbara Channel. This 70-mile stretch of water between mainland California and the Northern Channel Islands is a thoroughfare for thousands of cargo ships going to and from the busy ports of Long Beach and Los Angeles.

When they kill whales, hunters invoke the Buddha and pray for the repose of whales' souls; they held funerals for whales, built cenotaphs for them, gave posthumous Buddhist names to them, and when a dead fetus is removed from a butchered cow, an effort is made to release it into the sea. These practices are intended to encourage emotionally healthy or spiritual relationships with whales, and are connected with Japanese religious beliefs.
